Take a dizzying ride through the “sex, drugs and rock ‘n’ roll”-fueled music business of the 1970s in this new HBO drama series from Martin Scorsese, Mick Jagger and Terence Winter. Emmy® winner Bobby Cannavale (*Boardwalk Empire*) stars as Richie Finestra, a jaded record exec with a dark past who tries to resurrect his label and fractured private life while discovering the next “new” sound in 1970s New York City. But Richie’s plans

become complicated when he becomes embroiled in the death of a sleazy radio-company owner. Facing jail time and the loss of his wife and kids, Richie reverts to his old vices, but has an epiphany during a concert where the roof caves in on him—literally. The supporting cast includes Olivia Wilde, Ray Romano, J.C. MacKenzie, Juno Temple, Jack Quaid, Max Casella, P.J. Byrne, Ato Essandoh and James Jagger. (AC,AL,GV,N,SC) TVMA/S,L,V-1:53.

SUNDAYS 10:30PM

HBO®

From filmmaking brothers Jay and Mark Duplass comes a new season of this comedy series that follows four adults nearing 40 as they continue their search to find meaning in their lives and relationships. After nearly reaching their breaking points in Season 1, Brett and Michelle (Mark Duplass, Melanie Lynskey) struggle to make sense of where their marriage might be heading. Meanwhile, Alex (Steve Zissis), in the wake of his big acting

break, returns from New Orleans reinvigorated and with a new girlfriend in tow; and Michelle's sister Tina (Amanda Peet) has a hard time coming to terms with what should be her "happily ever after" life with movie-producer boyfriend Larry. Abby Ryder Fortson co-stars with guests including Peter Gallagher, John Ortiz, Ginger Gonzaga, Katie Aselton, Joshua Leonard, Emily Althaus, Barak Hardley and Hilarie Burton. (AC,AL) TVMA/L-:27.

ON HBO

Winner of the 2014 Emmy® for Outstanding Informational Series or Special, HBO's *VICE* returns for its fourth season, with 18 new editions hosted by Shane Smith: co-founder of the taboo-breaking multimedia company VICE. As fans of the first three seasons can attest, some of the most compelling, important news stories go unreported by mainstream media outlets—but not by *VICE* and its intrepid team of correspondents, who

deliver hard-hitting stories from around the world. Topics this season are tentatively expected to include: a new gene-editing method that scientists are using to change the genetic traits of plants and animals; a radical group in Nigeria called Boko Haram; the U.S. right-to-die movement is becoming a civil rights issue; the growing heroin problem in the U.S.; women in Afghanistan fighting for equality, and more. ON HBO

One of the funniest, most refreshing personalities to hit the TV scene in years, John Oliver returns to HBO for Season 3 of this series that takes a topical look at the week in news, politics and current events. Each show is shot in New York within hours of airing and offers Oliver a unique platform to offer his distinct perspective on issues facing the world today. (AC,AL) TVMA/L:27.

Bill Maher and his rotating panel of guests return with more all-new editions of the award-winning HBO series—right in time for the 2016 presidential race to enter its final lap! Each live show features Maher's opening monologue, a top-of-show interview, a panel discussion, mid-show guest, special taped segments, and Maher's "New Rules" finale exposing society's most absurd habits and institutions. (AC,AL) TVMA/L:57.

Follow the downtrodden creatures native to Earth's least habitable environment—New York City—in this adult animated series featuring the vocal talents of some of comedy's biggest stars. Executive produced by Jay and Mark Duplass (HBO's *Togetherness*) and created by writers/directors Phil Matarese and Mike Luciano, this dark and irreverent comedy proves that whether it's lovelorn rats, gender-questioning pigeons or bedbugs in the

midst of a midlife crisis, the awkward small talk, moral ambiguity and existential woes of non-human urbanites prove startlingly similar to our own. In addition to Matarese and Luciano, who voice different animal buddies named "Phil" and "Mike" in each episode, the voice cast includes Mark Duplass, Ellie Kemper, Marc Maron, Aziz Ansari, Nick Kroll, Katie Aselton, Molly Shannon, Chelsea Peretti, Rob Corddry and more. (AC,AL) TVMA/L-28.

ON HBO
